Tasks on match days – 2020 season

Before every game:

The grounds team will:

- Remove, if necessary, the mobile covers
- Cut, roll and mark/re-mark the pitch
- Set out inner fielding discs (1st team only)
- Re-mark boundary line and set out boundary marker flags
- Set the stumps
- Leave bowlers' markers near stumps
- Leave bails near stumps (2nd team only)
- If rain is forecast, the sheet cover will be left outside the boundary, at the bottom end of the ground
- Unlock the shuttered secure area in front of the scoreboard
- Switch on the scoreboard and hand the remote controller to the captain
- Open the dressing room door (for use of toilets only). Locked the dressing room door after the preparations.

During the game:

Players will:

- Between innings, sweep the pitch ends and remove all debris, and re-mark the creases as necessary
- Take the sheet cover on and off the pitch, if necessary. **NB the mobile covers MUST NOT be used**

After the game:

Players will, using appropriate protection (e.g. gloves or hand sanitiser) and use sanitised wipes on all surfaces after carrying out the following:

- Collect stumps, bails, bowlers' marks, inner fielding discs and boundary flags, and store away in the secure area below the front of the scoreboard together with any other equipment which may have been used (see below)
- Fold up the cover sheet into its bag and put away in the secure area under the scoreboard
- Hand the remote controller to the OCC co-ordinator on site
- Ensure the shutters on the secure area are chained and locked
- Thoroughly clean the toilets with appropriate materials to ensure all surfaces are sanitised, e.g. toilet seats, taps, dispensers, door handles, etc.
- Lock the dressing room door

Equipment:

The following will be kept in the scoreboard secure area:

- Containers for flags and discs
- Brush, shovel and bin for debris
- White marking spray

After matches:

The grounds team will resume full responsibility for all aspects of care and maintenance
